HAPPY HALLOWEEN

Halloween was a fun filled day. The theme this year was **CARE BEARS**. Every staff member was a different Care Bear as voted on by the other staff members. Trick or Treaters stopped in showing off their fantastic costumes. The kids had their choice of chips or chocolate bars. Thank you so much to everyone who stopped in.

Staff Photo

Edith - Cheer Bear
Deanne - Tenderheart Bear
Wanda - Love a lot Bear
Lisa - Funshine Bear
Hannah - Bedtime Bear
Melodie - Grumpy Bear
Shelly - Good Luck Bear

Edam Fall Fair 2023

The Edam Fall Fair was Saturday, November 28th. Wanda, Deanne, Glenda and Melodie volunteered to provide the clerking duties.

INTERNATIONAL CREDIT UNION DAY

Thursday, October 19th was International Credit Union Day. We celebrated with cake and coffee. Thank you to all our members who joined us. 80 years in the Edam community!

Door Prize Winners

We were proud to sponsor the bottled water at the Cozy Craft Fair December 6th at the HHS School.

Our Board of Directors attended in person training November 24th & 25th.

Melodie Nedelec presented Joel Blaquiere of the Edam 3 Stars Men's Senior Hockey team with a \$500 donation for the 2023-2024 season.

Thank you so much to our sponsors!!

Online Banking, 2 Step Verification & Strong Pac FAQs

What is my Login ID?

- it is the 19-digit number on your member card (debit card) or your online banking access only number you were given when you received your online banking

Do I have to type my 19-digit number in every time?

- no, you can memorize your 19-digit number by checking off the Remember Me box and give the saved profile a nickname that is meaningful to you
- when your temporary internet files (cookies) are cleared on your device or there is an update to the Edam Credit Union app, you will have to re-enter the 19-digit number and save it again

What is 2 Step Verification (2SV)?

- 2SV is a risk engine that uses an advanced algorithm to identify potential fraud and a way to confirm your identity to help keep your personal & financial information from being compromised

When & why does it send me a 2SV code?

- the risk engine will evaluate and score your profile, if considered risky a 2SV code will be required
- you may not be required to use a 2SV code every time, but if risk is detected you may be asked sporadically or every time you login to your online banking to use a code

Will the 2SV code be the same every time I log in?

- no, the code sent via text or email is a onetime use code that will change with every login

What if I would like to switch my 2SV notification device or method?

- you can log into your online banking or mobile app and update your method in your profile

What is Strong PAC?

- Strong PAC is using a more complicated PAC than just number digits
- it needs to be a minimum of 9 digits up to 30
- it is required to have 1 upper case alpha, 1 lower case alpha & 1 number – the rest is up to you
- limited special characters can be used but are not required, characters are @ # \$! /

How can I get help if I can't figure it out on my own?

- please call the office 306-397-2242 and one of our staff members would be more than happy to assist you
