

CELEBRATE International Credit Union Day

Thursday, October 15th

11:30 am – 12:45 pm

**Edam Community
Recreation Centre**

Each year, on the third Thursday of October, credit unions across the country celebrate the cooperative movement and the difference credit unions make in the lives of their members and communities.

This year's theme, **"Cooperative Finance – A Steady Signal in a Noisy World"**, reminds us that even as the financial landscape continues to change, credit unions remain a trusted source of support.

But today's financial world isn't just changing, it's becoming increasingly noisy, especially when it comes to fraud and scams. From convincing phone calls and text messages to sophisticated online scams, fraudsters are constantly finding new ways to target people.

That's why we are celebrating a little differently this year.

We're bringing our members and community together for a BBQ lunch and an informative presentation on common scams and how to protect yourself. In a world where fraud can feel increasingly complex, having the right information can help you stay informed and prepared. It's one more way we can be a steady signal in a noisy world.

National Day for Truth and Reconciliation

Our office will be **closed on September 30, 2026**, in recognition of the National Day for Truth and Reconciliation. September 30 also marks Orange Shirt Day.

This day honours the children who never returned home from residential schools, the Survivors, their families and communities. It is a time to reflect on the history and lasting impacts of the residential school system and the ongoing journey toward reconciliation.

Every Child Matters.

Borrow with Confidence

Big plans. Everyday needs. And everything in between.

Borrowing can be part of many different stages of life. Maybe you're looking for a different vehicle, planning improvements around your home, thinking ahead to next summer, or navigating a change you didn't expect.

Borrow with Confidence is about understanding your options and finding what works for you.
